30%

Each copy of SAFARI is priced at ₹ 30 on retail market, which adds up to ₹ 360 for twelve issues.

If you subscribe for 12 issues, you pay ₹ 330--and ₹ 660 for 24 issues. That is, respectively ₹ 30 and ₹ 60 less than what others now pay at the newsstand.

If you have a like minded friend who is also willing to join, each one of you gets an extra benefit. The rate applicable in such a case is reduced to ₹ 300 per subscription for 12 issues and ₹ 600 per subscription for 24 issues.

If six or more friends team up, it's a big, big, big saving for all of them--because each pays only ₹ 250 for his 12 issues or ₹ 500 for 24 issues.

A saving of almost 30% on retail price!
