Enjoy SAFARI at the special introductory rates!

Each copy of SAFARI is priced at Rs.25 on retail market, which adds up to Rs.300 for twelve issues and Rs.600 for twenty four issues.

If you subscribe for 12 issues, you pay Rs.250--and Rs.500 for 24 issues. That is, respectively Rs.50 and Rs.100 less than what you now pay at the newsstand.

If you have a like minded friend who is also willing to join, each one of you gets an extra benefit. The rate applicable in such a case is reduced to Rs.240 per subscription for 12 issues and Rs.480 per subscription for 24 issues.

If five or more friends team up, it's a big, big, big saving for all of them--because each pays only Rs.200 for his 12 issues or Rs.400 for 24 issues.

A saving of 33% on retail price!

Don't miss out on this introductory offer!

Send your subscription(s) for the next 12/24 issues. Write your name and address in capital letters in the box given on the opposite page.

You may send consolidated draft or money order for more than one subscription.
